July 2020 - December 2020	Python Coding Lessons
January 2024 - May 2024	Lister Dodgeball Team
October 2023 - April 2024	UofA Jazz Band Club

Volunteer Experience

June 2022 - Present	Little Champion's Daycare , Daycare Edmonton, Alberta <ul style="list-style-type: none">- I volunteer at the daycare in the summer semesters, a few times a week.
February 2025 - Present	Heritage Heights Senior's Home , Recreation Volunteer Edmonton, Alberta

Skills and Abilities

Efficiently able to write reports/ summaries within a time limit.

- During timed written assessments where I was given a specific topic which was previously unknown to me, I have used context clues and background information, as well as my literacy skills, in order to produce exemplary pieces of writing.

Can easily adapt to new technology

- I have a proficient understanding of Microsoft Word and Excel. I have also taken multiple computer science courses in high school, in which I have learned the basics of Python, JavaScript, and HTML.

Can interpret data with ease

Bilingual - Hindi and English

- English - Can speak, read, and write fluently. Hindi - Can speak and read fluently.

Cooperation and communication with group members

Perform well during both individual and group work

Willingness to adapt to different circumstances

Patient and Understanding

- Volunteering with children and simply spending time with my pet at home have improved my patience and empathy, which are crucial factors in any line of work.

Certifications

December 2020

Python Certificate

Hobbies and Interests

- I take huge interest in music - whether its through teaching myself how to play the guitar, my 4-year experience in playing the trumpet, or diving into different musical genres every week.
- I have taken dance classes in both bharatnatyam and ballet, as a child. Now, I enjoy dancing at home as a way to exercise and pass my time.
- I enjoy sketching and recreating images to the best of my ability.
- I have recently taken interest in philisophical fiction.
