Dear Employer,

I'm a student looking for part-time work, and I'll be moving into the neighbourhood this upcoming month. If you're willing to train (as advertised) I'd love to join the team and learn something new.

I haven't worked as a cook before but I have experience working in the kitchen and with training I can be a constructive contribution. Previously I've volunteered to cook and clean for program group activities, housing units, and big events. (mostly cultural)

I hope to get the opportunity to give positive attitudes to a fast-paced environment. I appreciate you reading my letter and I hope to hear back. If you need to reach out I've included my phone number at the top of the letter and my email is [skane3779@gmail.com](mailto:skane3779@gmail.com).

Thank you for your time,

Sandra Kane
