Dear Hiring Team,

I am excited to apply for the line cook \ prep position with you . With experience in food preparation, camp support, and facility maintenance, I bring the skills and work ethic required to thrive in a remote camp environment while contributing to a safe, organized, and positive workplace.

Most recently, I worked as a Prep Cook at the Tim Hortons Foundation Camp in Kananaskis, where I supported meal preparation and kitchen operations for large groups of campers and staff. I also volunteered at Circle Square Ranch, where I prepared meals, co-led cabin groups, and maintained camp facilities. These experiences strengthened my ability to work long shifts, manage cleaning and sanitization tasks, and collaborate with diverse teams in high-demand settings.

In addition, my role at Lovebug Daycare further developed my attention to detail and commitment to safety. I performed sanitation of food areas, play spaces, and facilities, while also assisting with meal routines—skills directly transferable to maintaining food safety standards and cleanliness in camp settings.

I am motivated, adaptable, and able to handle the physical demands of camp life, including heavy lifting, extended shifts, and remote work schedules. I would welcome the opportunity to bring my strong work ethic and teamwork skills to the MATRIX team.

Thank you for considering my application. I would be happy to discuss how my skills and experience align with your camp operations.

Sincerely,

Levi Cato
