## Dear Hiring Professional

Are you looking for an exceptional team member who has:

- Attention to detail, and pride in workmanship and teamwork
- A growth and service mindset with excellent business and service skills
- The ability to learn quickly, plenty of intuition and ambition, and great interpersonal skills
- Excellent written and oral communication skills
- A passion to learn and to increase skills

If so, look no further. You will see from my enclosed resume that I meet all these qualifications and more.

My volunteer and work experience communicate I am well-fitted for success in this role, having set up and take down(process) experience, sanitation(cleanliness and organization skills) and replenishment(initiative) skills, along with excellent personalized service(individualized communication and customer service skills), and time management(motivation and productivity) skills. I also bring a high awareness of(to) detail, and a valuable diversity of skill, talent, knowledge and experience, including leadership skills and experience. Do not hesitate on your opportunity to schedule an interview for your benefit. Feel free to call me with the phone number provided or reach out via email. The best time to reach me is between 9:00 a.m. and 5:00 p.m. MST. You may also leave a voice message at any time as I will promptly return your call during business hours.

Thank you for taking the time today to consider my resume. I am looking forward to connecting with you.

Sincerely,  
Jewel Winters
