SKILLS

- Leadership and Management

I take the lead in group projects, make sure that everyone knows what they are doing, and keep everyone on track to finish in a timely manner.

- Good communication skills

Everytime I don't understand something when working with someone I ask for help or for them to elaborate and do not hesitate to do the same for others.

- Positive attitude

I think that the best way to get through any day is to keep a positive attitude and I stick by this no matter how hard my day was.

- Good problem solver

There isn't a day that doesn't present you with new problems to solve and instead of panicking, I'm quick at coming up with a solution.

- Monday - Sunday 7:00 a.m. - 10:00 p.m.
- Holidays
- References available upon request

EXPERIENCE & VOLUNTEER WORK

- Customer service

My main duties include; interacting with customers and handling cash.

- Volunteer

From February 2023 - Present at Grey Nuns Hospital. My duties include: greeting visitors, guiding them around the hospital if needed and making sure that the masks and hand sanitizers are stocked for my shift and later at the main entrance.

- Junior High School Open house, grades 7-9

Grade 7, I was greeting elementary students and answering any questions that they had about the foods option. In grade 8, I was showing students a bit about junior high science but my main duty was to inform them about 3D printing and its upcoming role in our lives.

Lastly, in Grade 9, due to covid there weren't any in-person events for people outside of school so I had the opportunity to be a part of a promotional video.

- Library

In junior high, I used to go to the library during lunchtime and help out by putting books away, organizing them, and checking books in or out.

- Host for a high school at the 2022 Cheer provincials

My main duties included escorting my assigned school to their rooms, through their warm-ups and answering any questions they might have had.

LANGUAGES

- Fluent in English, Punjabi and Hindi

- Mostly Fluent in French

- Learning French, and Japanese
