Dear Hiring Manager,

I am interested in joining the kitchen team at Toyko Express. I am a Canadian citizen looking for a full-time position and have over three years of experience working in food service.

In my previous role at H-Mart, I worked in a fast-paced commercial kitchen where I prepared and cooked a variety of hot and cold Asian food dishes, including sushi. I followed proper food handling and sanitation practices and helped keep the kitchen clean and organized. I'm used to working efficiently during busy periods and understand the importance of consistent quality and good service.

I am dependable, hardworking, and able to work well with others during a shift. I follow direction closely and am always willing to learn.

Thank you in advance for considering my application. I would be glad to speak further about how I can support your kitchen team. Please feel free to call me at 780-437-9397 or email me anytime.

Sincerely,  
Denise Yeung
